Apologies	Amy (AC), Kesia (KS), Rachel (RN), Lucas (LA).

---

Proxies: David Juskiewicz for Kesia Savill

Start of Meeting: 5.30pm

### 1. President's Address

Welcome to our 2023 AGM, thank you for coming down tonight. We've had a great year throughout 2022, doing multiple dives along the local coast and in the river. Our clean-up events run by the enviro officers have seen some really good turn outs and have been successful in getting lots of rubbish out of our beaches. Around October last year we joined up with Curtin Uni Divers and had our quiz night at the tav which was so much fun and saw some lucky winners walking away with some goodies.

To go with these events we as you know have the dive shed were we hire out gear to our members, I'd just like to remind everyone that when hiring gear to be respectful of the property when using it and post use to make sure that it is washed/rinsed properly and dry before return to the shed.

All of these events couldn't be possible without you guys coming along and showing interest in diving and supporting the club so we would like to say a big thanks to the members of MUD over the last year. I would like to thank our 2022 committee for making these events possible and helping run the club behind the scenes and helping run the dive shed; there is a lot of effort put into running the club and I appreciate everyones time and effort that they contribute. I would like to thank especially some members of our executive committee that are no longer returning for 2023; Amy our VP and our secretary Kesia who have helped run MUD for a number of years now, the committee are wishing them success in their future endeavours.

### 2. Equipment officer address

Reminder to keep gear clean and handle carefully
