

## Diving with the UECWA

Murdoch Uni Divers (MUD) are affiliated with the Underwater Explorers Club of WA (UECWA), who offer regular boat dives and trips to MUD members.

To dive with the UECWA, you require a minimum Advanced Open Water qualification. UECWA dives are not open to External MUD members. Use of a Surface Marker Buoy (SMB) is mandatory. If you don't have a dive buddy the UECWA will pair you up with one of their divers.

To book a dive with UECWA it is necessary to create an account (no charge) on their web page:

<https://www.uecwa.com.au/>

Once you have logged on to their page you will need to navigate to the Events Calendar to make your booking. Bookings should be done well in advance to avoid disappointment.

Current prices for UECWA dives are listed at:

If you need to hire equipment for the dive you will need to arrange that through MUD at the following link:
